Introduction

Tekin Woodworks & Natural Stone is a distinguished manufacturer and exporter based in Diyarbakır, Turkey, specializing in premium natural stone and fine wood design.

Bringing together the elegance of nature and the precision of modern craftsmanship, Tekin produces high-quality basalt, marble, and bespoke furniture that embody durability and refined aesthetics.

Recognized for reliability in global markets, our brand delivers timeless solutions that enrich architectural, interior, and public space projects.

Every Tekin creation reflects mastery, passion, and trust – inspired by nature, crafted to perfection.

Basalt Collection

Reflecting the strength and elegance of nature, the Tekin Basalt Collection enhances architectural projects with durability and timeless beauty.

Available in both gray and black tones, our basalts feature a variety of surface finishes — sandblasted, honed, flamed, or sawn — offering versatility for every design concept.

With our ability to produce custom dimensions and tailored designs, Tekin basalts define the distinctive texture of modern architecture.

Our company

Through numerous national and international projects, Tekin Woodworks & Natural Stone has become a symbol of quality, reliability, and refined design.

From large-scale architectural developments to bespoke interior and landscape applications, every project bearing our name reflects our dedication to excellence.

We approach each creation with meticulous care — blending the strength of stone with the warmth of wood to craft lasting value.

For Tekin, every detail is a mark of mastery — because we don't just produce, we create works that stand the test of time.

GREY COLLECTION Brushed Basalt

A soft, textured surface achieved through gentle brushing that enhances the natural character of the stone.
Ideal for interior floors and wall claddings where subtle elegance is desired.

GREY COLLECTION Honed Basalt

A smooth, satin surface with minimal reflection, emphasizing the stone's authentic tone and structure.
Commonly used for contemporary interiors and minimalist design concepts.

GREY COLLECTION Sandblasted Basalt

A matte, non-slip texture created by fine sand abrasion, giving the surface a uniform and refined look.
Perfect for exterior facades, pathways, and modern architectural applications.

GREY COLLECTION Sandblasted & Brushed Basalt

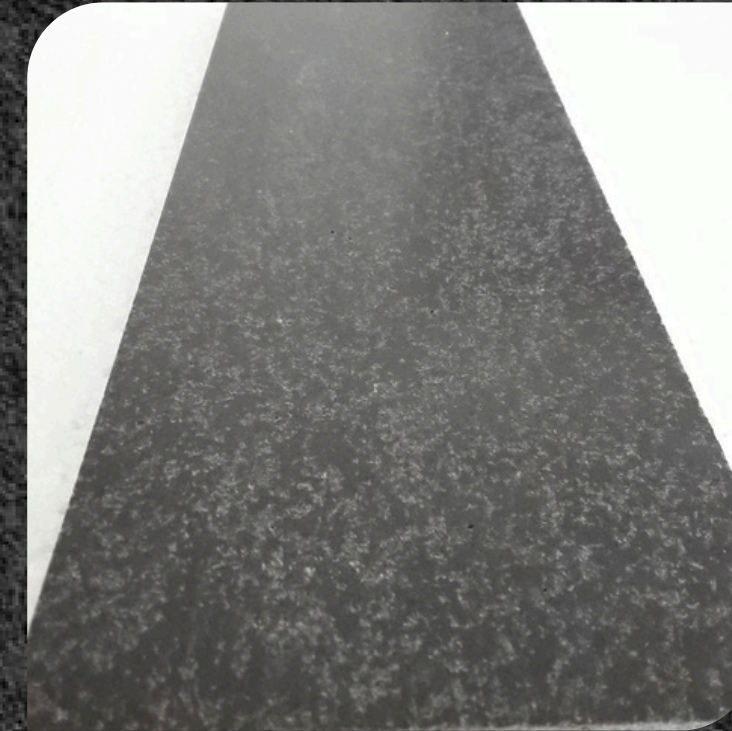

A refined texture combining the matte touch of sandblasting with the softness of brushing.
Elegant, natural, and ideal for both interior and exterior use.

BLACK COLLECTION -POLISHED BASALT-

A high-gloss, mirror-like surface that reveals the full depth and color of basalt.

Suitable for luxury interiors, countertops, and decorative wall panels.

BLACK COLLECTION -HONED BASALT-

A smooth, satin-like surface with minimal reflection that highlights the authentic tone and structure of the stone.

Perfect for modern, minimalist spaces emphasizing purity and balance.

BLACK COLLECTION -BRUSHED BASALT-

A subtly textured surface achieved through fine brushing, revealing the natural elegance and warmth of basalt.

Ideal for interiors seeking a refined yet organic character.
